**NOTES TO APPLICANT:**

- Final plat application will not be certified complete, nor will review action commence, until all required information, materials and/or fees have been submitted.
- In accordance with provisions of the Jefferson County Ordinance, the applicant shall be responsible for any direct costs incurred by the County, in obtaining a review of the application by architects, engineers or other professional, necessary for the County to act upon the proposal in an informed manner. Processing of the application will be delayed if direct costs are not paid in accordance with the schedule determined by the Planning and Zoning Administrator.
- Although the County has agreed to some fee schedules for professional reviews, the amount of direct costs are generally a function of the degree to which the applicant provides complete, accurate and pertinent information as described in preceding sections.
- If determined by the Administrator that revised or additional information is needed or if necessary due to other unforeseen events, the Administrator may at their discretion, revise any dates for the processing of this application.
- Agendas are scheduled on a first come, first serve basis. If the next agenda is full, it will be scheduled for the next available one.
