

Public Information Meeting

On proposed changes to the lane configuration along Idaho 48 at 4000 East & 4100 East near Rigby

Wednesday, August 9, 2017
6 to 7 p.m. in South Fork Elementary
327 North 4100 East (east of Rigby)
Open House – Come and go anytime

Sponsor: Jefferson County and Idaho Transportation Department

Officials of the Idaho Transportation Department (ITD) will discuss adding left-turn lanes to Idaho Highway 48 at the highway's intersection with 4000 East and 4100 East near Rigby. ITD plans to add eastbound and westbound left-turn lanes to both intersections, realign 4100 East to correct the existing skew, and add a southbound right-turn lane to 4100 East. Come and learn details. Provide input, if desired. Modifications will improve traffic safety.

Thank you!
